Calendar update effective November 18, 2013

Be sure to reload this site/calendar so you don't just see an old revision stored in your cache.

We'll update this calendar frequently, so check back often to stay up to date. **New items and revisions will be highlighted in Yellow to make them easier to spot** Please refer all events, questions & comments directly to the Events Director, with a phone call to Bob Schwarz 918 691-0879.

The "Drive Leader" is there as a guide and cannot be responsible for you or your car on any club drive. You are responsible for your actions on all drives. If you chose to go on a club drive, you must be a follower of "Rules of the Road" and give 100% of your attention to the cars around you 100% of the time. Read "Rules of the Road" on the website monthly. You must be more than willing to follow drive leader direction.

All club drives require good followers for the safety of all participating drivers. It is the club's goal to have somewhere for you to go in your Miata every weekend. If you see an open weekend and are disappointed that there is no drive, lead one. Just use the existing calendar as an example and send it to me at schwarzr@valornet.com and I'll put it on the calendar.

"Time Sensitive" Info!

Go all the way to the end of the calendar on this revision and look'er over good.

FYI, Full Moon dates follow for planning purposes, but see each event date for scheduled Full Moon Drives. Submit your drives to Bob at 918-455-7250

Program – Drive Leader Briefing – Bob Schwarz**

Aug 24, Saturday "You Asked For It" I hope you will be amused by a little reverse psychology. As I have come to expect, most of us will not want to go on this short drive to lunch, so I advise against it. I expect a high compliance rate on this one, therefore you should not see the "Forbidden City", not smell "green manure", not see a sports car on top of a motor home, not get "The Bird" eight times, and by the end of this short (approx) two-and-a-half-hour non-drive, not be "over the hill". Most will probably not visit the Kum & Go or McDonalds across the street from the CVS Pharmacy around 8:30 a.m., before the drivers meeting to get a bottle of water and make a pit stop. So, most will probably not meet at 8:45 a.m. for our drivers meeting just South of (beside) the CVS Pharmacy at Lynn Lane and 61st St. ¾ mile East of Bass Pro Shop in Broken Arrow, and most of us will probably not depart at 9 a.m. and get to lunch at White River Fish Market by noon. Maybe I can just go back to the house and drink a cool one and not lead this drive. Phew! Easy one! Drive leader is: You have a 25% chance of guessing this right. Seven cars made this event.

Saturday, September 28th 8:00 a.m. to 12 noon. "Miata Tech Day" What do we mean by a Tech Day? Some of you would like to make some changes (upgrades/modifications) to your car but are not sure how to do it or maybe don't have the tools or space. You tell us what you want to do. We tell you what parts you will need and where you can get them. You bring them to the Miata Tech Day and we will guide you or help you through the process of the project. Such as: I want to make my 3rd brake light flash. You can get the part online at www.kapscomoto.com for \$16.95. That is what you get and bring it to the Miata Tech Day and we show or help you install it. We will not do oil changes at this Miata Tech Day. **So, think about your car, what you want to do, let us know so we can tell you what you will need to bring with you. Other ideas: make my fog lights come on any time, install a clear bra, clean or change my air filter, and others. You need to turn your form in by the Sept. club meeting, 9/18. At the meeting you will be given a map as to where to meet.**

Oct 5 Saturday – "Club Birthday Picnic and Drive" We will meet at the QT, Gilcrease Drive and Hwy 412 at 8:30 a.m. with drivers meeting at 8:45 a.m. and departure at 9:00 a.m. We will drive up to Skiatook Lake, Birch Lake near Barnsdall, Hominy, Cleveland and back to Stephen & Earlene Clicks house located at **2345 S. 59th W. Nov 9, Saturday, this is an open day.

Nov 11, Monday, Tulsa "Veterans Day Parade". Changes as of Wednesday night 10:15 p.m.

We are in the 3rd Division, Unit 10. In the sequence of the parade we will be located behind the Veterans Treatment Court and before the American Red Cross. We will meet behind or south of Fasler's Tavern at 4th & Elgin. Please park in the parking lot on the west side of Elgin.

Start forming no later than 8:30 – 9:00 a.m. 10:00 a.m. is the cut off for getting into the area due to street closings, on Elgin Avenue between 5th and 6th Streets, heading north. Approach the area from the south due to the large vehicle traffic flowing in north of 3rd street. Be aware that highway 75 is closed at the SE loop of the inner dispersal loop.

The parade begins promptly at 11:00 am. We will match up the Vets we are carrying at approximately 10:00am in the parking lot area. We will have a list available to match up the drivers with the riders. This will be done during a drivers meeting. We will also have blue painters tape to attach the veteran's signs to the doors of the cars and American flags to the cars. We should have donuts and snacks available. Coffee may be available at the Red Cross immediately to the east of our parking area. Bring other personal drinks if you want. A folding chair might come in handy to sit outside of the cars.

We will initially form up two wide (parking). We will leave 4th & Elgin, proceeding two-wide until passing the review stand, then, after the review stand, we can spread out to three wide. Please remember to proceed at a slow space after the reviewing stand. If we go too fast

it creates large gaps in the parade. This should not be a problem because we are located behind a walking group. As in past years, there is no stopping or saluting at the review stand. No throwing of candy from any vehicles, only those walking can throw candy.

We are in good shape with sufficient information required for signs unless changes occur (and they usually do). Thank you all.

There is a free breakfast at the VFW 7:00 a.m. and free lunch at American Legion Post #1 at 8th & Peoria after parade.

Last year (2012) we had approximately 24 cars in the parade.

Coordinating the cars, Veterans, signage etc. is essentially complete. It is a pretty well organized event and requires a good deal of coordination. Bob Schwarz, and Pierre Smith will continue to communicate with those we need assistance from, and will continue to do so in the last days prior to the event. **Twenty cars and 33 veterans attended this event.**

Nov 16, Saturday, We will meet at McDonalds at 333 S. 129th E. Ave. (I-44 & 129th, driver meeting at 7:45 a/m will leave at 8:00 a/m sharp an head toward Grove OK to meet up with the Arkansas Miata Club. Pit stop at Pryor Wal Mart and then on to Grove OK. Once we join up with Arkansas club we will follow them to lunch stop and then on to Miami where they have a tour set up at the Old Coleman Theater. After the tour, our Oklahoma group with wind our way back to Tulsa. Hopefully it will be a nice cool dry day for a drive. Hope to see as many club members as possible to show the Arkansas club we are the group to join up with to do drives around the area. Drive leaders Tom & Jean Mattox.918-629-1540. **Ten cars participated in this event.**

A SPECIAL EVENT FOR 2014

Plans have been made for a 2014 special drive, "**Bryce Canyon**" trip, **July 2-5, 2014** hosted by the **Utah Miata Club**. Think about joining us as we have ten cars saying that they are planning to make the trip. For more information go to www.utahmiataclub.org. It will be a 1200 mile trip to Bryce Canyon so we will have a two-day group drive out and back with an over-night about half way.

There are two hotels that are suggested -- one is the "**Grand**" for \$142.00 + tax per night. However, we are staying at "**Ruby's Inn**" for \$99.00 + tax per night. You can book either on line at www.rubysinn.com or by phone at **1-435-834-5341**. When booking on line fill in the info on the left side of the first page and either online or by phone indicate "**Group/Block**" and code "**05G**" and tell them you are with the "**MIATA CLUB**". **NOTE:** You need to book ASAP because when we went to Eureka Springs our group was split among 3 different hotels because we waited too late to book our rooms. **So, book now -- you can cancel up to July 1, 2014 for no fees!** We will not need to send in our Registration fee of \$45.00 per person until after the first of the year when you are sure you are going.
