## PRESIDENT'S MESSAGE: GEORGE WALKER

June's club activities started off in the rain with a Full Moon on June 1st and Tom Jones leading a quartet of Miata's on a fun drive on a rainy evening to try and see the moon rising. We did see a wonderful display of God's fireworks as we drove through Tulsa's north and northeastern suburbs.

On the 16<sup>th</sup>, the weather cooperated for a great top down drive led by Kevin & Devinna Smith through Rogers county countryside stopping for a terrific lunch at the Hammett House. After the drive Kevin took me by his place so I could get to see the 1990 supercharged Miata he recently acquired, should make for some great fun drives, especially on the HST days at Hallett.

I want to acknowledge and thank Tom Jones for the time and effort he put in helping the Smith's find the routes for the drive. The effort

they all put in made for a great day for the rest of us.

I will be at Hallett Motor Racing Circuit for the Firecracker Grand Prix XX helping with Timing and Scoring for the races on the 30<sup>th</sup> and the 1<sup>st</sup> so will have to miss the Amish Dinner Drive that Bob Huckaby is hosting. I know y'all will have a lot of fun, the Millers do a great job, their food and pies are sooo good, I hate to miss it but I volunteered to help at the races back in January so I'll have to wait for the next time.

Remember if you hear of any fun events let Bob Huckaby and Tom Jones know so that interested NEO-Miata Club members can be informed and hopefully put a club drive together or at least for some individuals members participate and represent the club.

Hopefully the monsoon will be over soon and we will be favored with sunshine on our club drives and get some top down time in our Miatas.

Be sure to drive friendly and give a wave to other Miata Drivers and invite them into our fellowship. One of the fun things for Miata folks is a friendly wave from another Miata as we drive around. So don't forget to wave.

One more thing, don't forget to use your 20% discount coupon at Nelson Mazda it's a great deal.
