Mike Viseur, club president, called the August 17th meeting to order. In the rounds of introductions amongst those members present, Sherry Breaker introduced herself. She is a recent signup attending her 1st meeting. She told how very happy she was to have used a work bonus to finally purchase a Miata! Andy and Bea Pierson who had been club members in the early 90's rejoined the club. They remarked how large, "young", and rambunctious the club had become.

Other 1st year members present were Brian Goree, Troy Langham, Mike Baker, Rick Fornell, and Carl and Joanna Gibson.

There were no officer reports but Carol gave a short quiz about the recent 2nd Full Belly Drive to Copan lead by the Laws. It was noted the rich Osage had oil reserve tanks and oil pumps that were too numerous to count. Barnsdall was once a home to both Clark Gable and Anita Bryant. The lake dams driven over were Skiatook, Hula,, and Copan. The notorious Mullendore ranch was also driven past. The Laws reported that there were 12 cars that attended that very hot 100 degree plus day. After the combo drive to lunch they went a little further north to visit the real location of "Little House on the Prairie". A replica of the house was at the site, plus an original old post office and an original schoolhouse nearby that they attended 1800s were both relocated there.

Earl Larkin talked about the recent drive and hike in Red Bud Valley. He said all of the "Silverbacks" but himself did the hike in an amazing 45 minutes. Bill Curts talked about the Combo drive attended by 20 cars to lunch recently at Fin-N-Feather's Soda Steve's. The burger shop was very good and they make their own Root Beer. He said that it isn't so hard to plan a drive and encouraged others to come forward to lead one.

Next Mike V. read excerpts of a sports car report which listed Miata as a 5 Star rating in the company of some other cars all of which were much pricier. He closed the meeting by sharing an email from his wife. A recent report said that 80% of women are against marriage. One reason listed is "Why buy the whole pig just to get a little sausage".

***** Apologies to Earl Larkin. It was inferred in last months' minutes that he loves Harley Davidson motorcycles. That couldn't be further from the truth. Earl Larkin has never and will never own a Harley!!*****

Events to look forward to are the 3rd Full Belly Drive—2nd weekend of September; Hallett weekend Sept. 17; And a "Fall Drive" (without much Foilage this year) lead by the Larkins. T.B.A.
