MIATAS AT TULSA RACEWAY PARK, FRIDAY, OCTOBER 7, 2011: JOE BOHANNON

The weather was perfect for the first ever Miata drag races at Tulsa Raceway Park held on Friday, October 7, 2011. It will also be the last opportunity for this type of event as the facility plans to close at the end of October. There were nine cars that showed up for the big event. We also had some other club members as spectators. During the time trials, Kevin Smith had a problem with his car and had to drop out. This left eight cars for the bracket racing to determine the winner. The racers were Joe Bohannon, Sara Bohannon, Mike Viseur, Mark Quisenberry, Karine Thomas, Bill Thomas, Rick Hardmeyer, and George Walker. After the first round, four were left standing: Sara Bohannon, Mark Quisenberry, Mike Viseur and Karine Thomas. After the next round, two were left: Mike Viseur and Karine Thomas. And the winner was our President, Mike Viseur. We finished a little after 11 PM and a good time was had by all. The winner and runner-up will receive their trophy in the next few weeks. In one round, Mike got up to 90 MPH in the quarter-mile distance used for each race which is not too bad.

Our club president called the October 19 meeting to order. He introduced newcomers Paul and Carla Guthrie who made a recent Miata purchase. Welcome! Dan and PamThirion were also recognized. They joined last month.

OFFICER REPORTS:

Secretary: New Directories will probably be done with headshot pictures of members included. We will try to get all those pictures done by digital camera at our next meeting. (**And club picnic on Nov. 12)

Treasurer: Balance the same.

Web / Newsletter: Alan asked that all entries for upcoming newsletter be submitted by coming Monday Oct. 24

Events / VP: Mike reported for Sam (not present) that someone is taking charge of drivers for the Veterans' Day Parade

Earl talked about the Fall Foilage Drive Oct. 22. He expects that since southwestern Missouri and northwest Arkansas have had some rain that there should be a little color to see. The highlight of the 321 mile trip of course will be the twisty twisty roads. He covered a lot of reminders especially for newcomers: empty bladder tank, full gas tank, fresh walky-talky batteries.

Mike reminded us that November is election month for next years officers. The nominating committee is Mike Viseur, Jim Sturdivant, and George Walker. Contact them for either volunteering or suggesting candidates.

Following more talk about the much anticipated drive Mike closed the meeting with several quips from a comedian:

Whatever happened to Preparations A through G ?

I'd Kill for a Peace Prize.

A cop pulled me over and asked if I was aware that the speed limit was 50 m.p.h. I said that was okay, I wasn't going that far !

What color do they list under hair color on a Drivers License if a person is bald ?

The trouble with the gene pool is that there is no lifeguard !

Since American mothers use tiny spoons to feed their babies does that mean that Chinese mothers use toothpicks to feed theirs ?

And finally: Do your borrowing of money from pessimists. They don't expect it back !

NEW CLUB DIRECTORIES: Expect a call from a fellow member to update your information for the new directories. Also several of us will be taking digital headshot type photos of all interested members. ****Please make the effort to come to the November meeting or to the club picnic November 12 for having your picture taken.**** Photos may also be submitted by email to Carol Laws
