Program – Drive Leader Briefing – Bob Schwarz

Aug 24, Saturday "You Asked For It" I hope you will be amused by a little reverse psychology. As I have come to expect, most of us will not want to go on this short drive to lunch, so I advise against it. I expect a high compliance rate on this one, therefore you should not see the "Forbidden City", not smell "green manure", not see a sports car on top of a motor home, not get "The Bird" eight times, and by the end of this short (approx) two-and-a-half-hour non-drive, not be "over the hill". Most will probably not visit the Kum & Go or McDonalds across the street from the CVS Pharmacy around 8:30 a.m., before the drivers meeting to get a bottle of water and make a pit stop. So, most will probably not meet at 8:45 a.m. for our drivers meeting just South of (beside) the CVS Pharmacy at Lynn Lane and 61st St. ¾ mile East of Bass Pro Shop in Broken Arrow, and most of us will probably not depart at 9 a.m. and get to lunch at White River Fish Market by noon. Maybe I can just go back to the house and drink a cool one and not lead this drive. Phew! Easy one! Drive leader is: You have a 25% chance of guessing this right.

Aug 31 is an open weekend. **Labor Day Weekend.**

PRESIDENT'S MESSAGE: BILL CURTS

We had a great July meeting with 49 in attendance.

Our program for the July meeting was by Lynn Allamon, Robertson Tire Store in Broken Arrow told us everything we wanted to know about Miata tires. It was a super program. We had 10 cars make the "A Little of This and Little of That Drive on the 20th to Soda Steve's. If you need a club member directory and/or supplement you will need to see Andy at the next meeting. For the magnetic logos you will need to see Gail.

We have set the date for the Miata Tech Day. It will be Saturday, September 28th 8:00 a.m. to 12 noon. What do we mean by a

Tech Day? Some of you would like to make some changes (upgrades/modifications) to your car but are not sure how to do it or maybe don't have the tools or space. You tell us what you want to do. We tell you what parts you will need and where you can get them. You bring them to the Miata Tech Day and we will guide you or help you through the process of the project. Such as: I want to make my 3rd brake light flash. You can get the part online at www.kapscomoto.com for \$16.95. That is what you get and bring it to the Miata Tech Day and we show or help you install it. We will not do oil changes at this Miata Tech Day. **So, start thinking about your car, what you want to do, let us know so we can tell you what you will need to bring with you. The date will be sometime late August or September to give you time to get your parts. Other Ideas: Install air horns, make my fog lights come on any time, install a clear bra, clean or change my air filter, and others.** A form with instructions will be sent to you soon. If you would like to help – bring some tools and show up.

Where is that special place you would like to drive? Step up and lead a drive! You will notice the **Aug 3 Saturday** drive down Route 66. The meeting place is at **Wal-Mart, 1002 W. Taft St. (Hwy 117) in Sapulpa**. Check out the Club Calendar from time to time. Look at the **Dec 7th** event and make your plans – this should be a great and fun event. See you on the drives

PREVIOUS MEETING MINUTES: ANDY ANDERSON

(The minutes were taken by Sonja Curts because Andy was caring for his wife, Merry, who had hip replacement.)

The meeting was called to order by the president, Bill Curts at 7:00 p.m. with 48 in attendance plus the speaker Lynn Allamon from Roberson Tire in Broken Arrow for a total of 49 present.

Three new members were introduced to the club: April and Jerald Adams from Stillwell, Judy and Dale Arrison and Ron Taylor from Tulsa.

Two cars for sale within the club was announced: a 1997 M-edition Mica Green with 77,000 miles and a 2000 Special Edition Mahogany with 90,000 miles owned by Wayne and Ethel Deramus. If you have interest in either car contact Bill Curts for contact information.

Each member introduced themselves and the car they drove.

Officer Reports:

Rick Fornell, Vice President – Burned CD's for driving music and offered to the club .

Andy Anderson, Secretary out due to his wife Merry having a hip replacement on Tuesday, the 16th.

Gail Roop, Treasurer reported approximately \$2,300 in the club checking account before any current expenses.

Alan Doughtry, Web Master-nothing to report.

Bob Scharz, Drive Leader – encourage members to step up and lead a drive plus a projector screen needed for the club.

Bill Curts reminded the club of his drive this Saturday, July 20th to Fin and Feather Resort on Lake Tenkiller plus lunch at Soda Steve's, a hamburger restaurant at the resort. Check the calendar for details.

On September 28th, 2013 a Tech Day is planned at David Laferty's hanger at Riverside Airport. Early morning to the temperature, the hanger is not air-conditioned. Details to be published soon.

On December 7th, a Christmas Estravaganca is planned in Guthrey, Okla. A full day with a parade and a play at the Pollard theatre. More details forthcoming later.

20 cars attended the Pawnee Bills Wild West Show, 5 cars went to Platt College for lunch and 8 cars went to Chelsea for lunch.

Lynn Allamon from Robertson Tire was introduced and gave a program on tires and afterwards presented caps to the club with the Robertson Tire logo. The president reminded the club of the upcoming drive to Utah next year to Bryce Canyon. Again, a reminded of the drive this Saturday to Fin and Feather.

The meeting was adjourned by the president at 8:15 p.m.
