PREVIOUS MEETING MINUTES: RON COATES

The March meeting of the NEO Miata club was called to order at seven p.m. by President Steve Click. There were over thirty members at the meeting, they introduced themselves and described their cars to those present. New members Rhonda and Robert Wiley were in attendance and joined the club.

President Click talked a bit about the Bryce Canyon trip that will be happening in early July. Earl Larken urged anyone who is interested in going to be sure to make lodging arrangements now, because the rooms will be filling quickly. Tom Mattox, club vice-president, told those in attendance about the wonderful trip planned for our "Spring Fling" trip to Branson in late April. He urged folks to make plans now to attend. You can find more information on the website. Simply go to neomiata.com, then click on the "calendar" button near the top left of the home page. Our treasurer, Gail Roop, was unable to attend the meeting, but her husband, Sam stood in for her, taking dues and writing receipts. Club secretary, Ron Coates reported that the dues are coming in, but slowly. He hopes that those who have not paid will do so before the end of March.

Tom Mattox and Steve Click suggested that the club members might want to consider getting matching shirts to wear on drives and other events. These shirts would be matching colors and designs. This would turn even more heads when our group walks into a restaurant. Another thing the club should consider purchasing is a public address system that would be helpful at our meetings. Ric Fornell tried to organize a speaker for the meeting, but a death in the speaker's family prevented him from being able to deliver his program. The hope is that this speaker can be rescheduled for a future meeting.

Sonja Curts told us an entertaining story about heaven. I took it that I can only expect to WALK around the golden streets, no wheels for me.

The gavel fell, to close the meeting, and many of the members enjoyed more visitation after the meeting.
