OFFICIAL CLUB SHIRTS: BILL CURTS

The club shirt committee has finalized our Official Club Shirt after membership input Wednesday, 4/16, night at our Monthly club meeting. Here is the information. Our official club shirt is the "Port Authority" brand, in "Ocean Blue" (light blue) color. It is lightweight and breathable, features a subtle Jacquard texture. Designed with Moisture-wicking performance, this shirt won't run flat. Men's shirt has a flat knit color with 3-buttons and the ladies have a gently contoured silhouette, self-fabric color and open placket. The shirts are available at **Yvonne's Monograms & Embroidery Inc, 7844 S. Elm Pl. Broken Arrow, OK 74011, (Elm Pl. and 131st Street/West Jasper), phone 918-451-1902 for \$21.98** (XXL and above are \$1.00 more). This will include our club logo embroidered on the shirt. Also, you may want to have your name embroidered below the logo – no extra cost. Normal delivery is about 3 days.

If you do not like the shirt the committee has come up with, you can look over the many choices of summer and winter shirts she has available along with caps and visors. We only suggest you try to stay with the light blue color. Yvonne has many of our different logos on their computer which saves a setup cost.

PREVIOUS MEETING MINUTES: RON COATES

The gavel came down at exactly seven p.m. when the April meeting of the Northeast Oklahoma Miata Club was called to order by Steve Click. Steve also told the group about the meet and eat that was held at Fish Daddy's. Linda Schwarz provided cake for those who attended the Fish Daddy event. We went around the room introducing ourselves, Michelle Baysinger joined the club at the meeting. She drives a 2011 Mica Blue power retracting hardtop. Vice President, Tom Mattox urged anyone who was thinking of going to Branson to hurry and get a room, there are only three rooms available.

The Secretary's report was given and the main message is that the roster will be edited so that those who have not paid will be removed from the mailing list. So if you meant to pay your dues, please send them in right away. Gail Roop reported that the club has over two thousand three hundred dollars in the bank. She also has Miata items for sale. Bill Curts gave a report on the trip scheduled for May 3rd. If you are interested in going, please check the calendar on the website. 13 cars are already signed up. Tom told us that we are skipping the Rooster Day parade because Broken Arrow wanted to charge us to be in the parade. SO, are going to go to Ted's Escondido on May 10th. Rick Fornell is going to have a mystery ride June 30th, please check the calendar on this one too. Bill Curts was handling the Brice Canyon drive, but Bill and Sonja need to let someone else take the lead on that drive, as a friend has a wedding on that day that they need to attend.

Steve Click investigated the sound equipment available for purchase. The club members looked over the photos of the equipment. A motion was made and seconded to buy the equipment. The motion passed. Bill Curts and Duane Blankenship brought ideas to the club on buying matching shirts to wear on drives. They merged their ideas and came up with a plan on where to buy them.

George Walker explained to the club that the 25th Anniversary. special edition Miata is a red car with black power retracting hard top. It was unveiled at the Auto Show in New York City. The details of the upcoming 2016 Miata are very limited, but we know it will be lighter and feature the Skyactive technology. The meeting concluded at 7:35 p.m.
