PRESIDENT'S MESSAGE : STEVE CLICK

We had several great events in June, Fish Fry at Ric Fornell's, Lunch at the Pecan Porch with a tour of the Port of Catoosa and drive to The Riverwalk in Oklahoma City with lunch at Earl's Rib Palace and then some went to the studio of Bob and Linda Schwarz son to see his glass blowing. Those of you who did not make these events missed a great time of fellowship with the club.

We have a Road Trip planned for July 12th to Arkansas with Tom Mattox as your leader. Please read details on the calendar and if you have questions contact Tom at 918-629-1540. Those who went to Bryce Canyon hope you had a great time and we look forward to a report on it at our meeting this month. July 16th – Meeting at Uncle Buck's. PREVIOUS MEETING MINUTES: RON COATES

President, Steve Click, started the June 18th meeting at Uncle Buck's at seven P.M. He introduced two new families who joined the club. Janice & Larry Barber and Peggy and Roger Monahan were the two new couples. The microphone went around the room as each member introduced themselves to those in attendance. The President gave his report about past drives and upcoming ones. Steve urged everyone to check the NEO Miata website to look for updates to the calendar of events.

Tom Mattox, Vice President, said he was grateful for those who come out and participate in drives, and asked anyone who had suggestions for making improvements to the club to please share them with everyone. He wants to make the club enjoyable for all the members.

- The Secretary of the club reported that we now have 83 active members.
- Gail Roop, club Treasurer, was away on vacation and unable to attend the meeting. So she could not make a report.
- Alan Doughty, club Webmaster, had nothing new to report.

Under "Old Business", President Click explained that the Miata Club would have their annual birthday party at the Click's home. The picnic will be held on September 27th.

Under "New Business", Steve said we were planning on again participating in the Veterans Day Parade. David Laughrey will be taking charge of that endeavor. Anyone who thinks they might participate should send an email to David soon, because it is difficult to plan. Bob Schwarz, who always helps David, explained how chaotic the planning becomes, the closer it gets to the start of the parade. So if you would, please send an email to David, or the club Secretary if you think you are going to be able to participate. Just address your email to "secretary@neomiata.com", he will get it to David.

The next topic discussed was the new club directory. Susanne Young is leading up that project. She needs photos of the members and to be sure the information on each member is correct. You may send your photo to the Secretary of the club at the email address listed above.

The president appealed to the members to please lead a drive. We need drive leaders and trips to take as a club. Bob Schwarz explained to the new members, as well as the older ones, that we should all read the RULES OF THE ROAD on the NEO website. Know that you should take a small two way radio, and follow the car in front of you closely enough to stay within sight of them on drives. With no more business to discuss, Steve Click adjourned the meeting.
