PRESIDENT’S MESSAGE : TOM MATTOX

Here we are starting this New Year of 2016. So far, winter has been a very wet one, but mild as winters go. I have a feeling we have not seen winters worst yet.

This year I hope we can have activities for everyone to enjoy and attend. We want to have at least one Meet & Greet each month, so we can eat at some new place that Tulsa or the surrounding area has to offer. If anyone has such a place, let me know if you would like to set up somewhere to meet so we can get it on the calendar for all to enjoy. Our weekend drives will probably start in the month of April, when the weather has turned the corner of bad weather. As last year, I would like the drives to fall on the third Saturday of each month so we get in our minds that each month we have a drive so we can plan to attend the third Saturday of each month thru out the year. I hope more members can attend whatever we have going on so that you get to know more of the great membership we have with this club.

On a personal note, my recovery is going well and I start my heart rehab this coming Friday on the road to getting better. I want to thank all who have called or sent a card expressing your concern. Hope to see as many as possible at the first meeting of this New Year on January 20, 2016.
