

September 1 2018

From the Prez.

September has arrived and then weather is going to stay hot it sounds like. We didn't get too talked about a lot of things at the last meeting because of the storm that went thru the area and the library had to close early because they lost power to the area. So here is some of what you may have missed if we had of had a meeting that night.

Treasurer balance from Ron McDowell as of June 1 2018 our balance was \$770.67 checking plus \$330.00 in savings for a total of \$1160.67

-Reminder to check calendar and your email often for

announcements and/or changes.

We had a great turn out for the Next Meet and Greet on **Saturday** the 4th of August which Ron Coates was in charge of hosting.

For the Fall Drive I would like input from you as to where we might like to go for our Fall drive this year time is getting short to find a place and get rooms set aside for such a drive. I have a place I'm working on at this time which would be a drive on Saturday and stay just overnight somewhere and drive back on Sunday a nice relaxing drive with pretty colors to see along the way I hope.

I would like to ask any and all that can make the drive to Hallett Race way on Saturday the 8th of September to please come support the Miata's at Hallett on that date. We will meet at Brawns at Gillcrease rd at 9:00 and leave at 9:20 to head toward Hallett and admission is only \$5.00 a head and they have food available for lunch and soft serve ice cream also. Bring lawn chairs and a cooler with whatever you may need to drink so we all stay hydrated and sit where ever you want to watch the Miata race around the track. You will also be supporting our club members who will be racing at the track.

The trip to Woolaroc I thought was a nice drive up there on a road most had never been on. Some of you now know there is actual a town named Aweit which is a wide spot in the road for sure. The museum was great I had not been up there for many years. The place sit's on they said 27,000 acres and the lodge that's there is very grand inside. We drove on into Bartlesville to eat at Dink's BBQ for a good late lunch I hope everyone enjoyed the trip and would go to both place again in the future.

I know it's a little early but the election for officers is coming up very soon so we need our members to step up if you want to help run this great club for next year. I will not be running four year is long enough I just hope I can make it till December.

Continue sending in Wal-Mart receipts within 5 days of purchase to Tom. So far the club for the year has made over \$166 dollars in free money. Thanks to all who have made this possible I hope we can continue this in the future.
