PRESIDENT'S MESSAGE: BOB SCHWARZ

Dear NEO Miata Club friends,

What is it, about GO?

Sometime about six months ago I read an article in a magazine about keeping your youthful physical characteristics and attitude. The article suggested that staying active in the form of traveling, tended to keep one alert, aware and engaged with the world around you.

From <https://snarkynomad.com/the-best-of-mark-twains-travel-quotes/>

Here is a great quote from Mark Twain:

“Travel is fatal to prejudice, bigotry, and narrow-mindedness, and many of our people need it sorely on these accounts. Broad, wholesome, charitable views of men and things cannot be acquired by vegetating in one little corner of the earth all one's lifetime.” – Mark Twain, *The Innocents Abroad*

Here is a mis-quote from the same site, but I still like it:

“Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do. So throw off the bowlines, sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.”

If you have “GO, syndrome”, give someone a ride in your Miata and tell them to ‘go’ see Jeff Lewis and join our club. Or, join our club and watch for one for sale.
