## PRESIDENT'S MESSAGE: LINDA SCHWARZ

We had good attendance at our first meeting back since the "safer at home" order was issued. Everyone was thrilled to be out and about to a normal activity and the folks at Oklahoma Joe's were glad to see us. We heard a little about what each member's experiences had been for the past two months.

Now we are making plans and looking forward to our June 18 Anniversary Party. We hope everyone will make plans to be there. Our Anniversary T-shirts should be ready by then if not before. We were hoping to have a bigger celebration but as you know, Covid-19 has changed what we can do.

Many local restaurants are having a tough time surviving now. May I suggest you pick one of your favorites and invite us for a Meet & Eat to help them. It can be any time of day, any day of the week and it does not matter if we have several a week. If your selection has limited seating, we can limit it. You can contact Activities Director Lee Cody, [events@neomiata.com](mailto:events@neomiata.com), with the information to get it on the calendar and announced. Let us help our community and have a little fun time together.

Stay safe and enjoy spring! Linda
