PRESIDENT'S MESSAGE: LINDA SCHWARZ

I hope you all are well and finding lots of fun things to do. We would like to see more of you attending meetings and events with us. We miss you!

PLEASE READ CAREFULLY OUR NEW POLICY FOR MEETINGS.

As is reported in our September meeting minutes there was a discussion about members concerns for wearing masks and social distancing with a decision that all members should wear a mask at all times except when eating and all members should be seated the appropriate 6 feet apart.

When in Pager Hall: We are asking everyone to please sit with 2 chairs between you and the next person and at an angle across the table from others. Of course, couples may sit together. When you enter the room our 50/50 tickets will be self-serve. Tickets will be \$1.00 each or 6 for \$5.00 and you may place the money in the designated box. If you want dessert please pick it up next and have a seat.

During the meeting: I have been asked to not wear a mask when I am conducting the meeting since the mask makes it difficult for some to hear even with a microphone. I will be at one end of the room well away from other members. Any members wishing to talk will need to do it from their position in the room or they may send me the information and I will add it to my agenda. We will adjourn at 7:30. Anyone wishing an early dismissal may leave ahead of adjournment. Those staying after the meeting to visit will need to visit outside the restaurant.

I know this is very different than what we are used to and not the way we prefer but, as one member voiced, I'm willing to do whatever it takes to make as many members comfortable about coming to our

meetings as possible. We'd love to see all of you even if it is behind a mask and from a distance! Stay Healthy & Safe...
