PRESIDENT’S MESSAGE: LINDA SCHWARZ

I believe we can all agree that 2020 has been different and different can be good. When I volunteered to be President I knew I was going to have a different experience then March came along and we were all given a challenge none of us could have expected. I appreciate everyone’s support whether it has been encouraging words or help carrying on with the responsibilities of our events. The more members help out the easier it is on all of us.

Now it is again time for all members to check out what you can do to keep the Club running smoothly for another year. We are in need of officers for President, Vice President, Activities Director and Treasurer. Please take time to check out the office descriptions on our website at <http://www.neomiata.com> using the Info and Club Criteria drop down menu to learn about each office. Remember most club members will be willing to help out when asked.

If you think to yourself “I don’t want to be an officer” then look to see what you could do to help an officer out. Every little thing helps! Please don’t sell yourself short. I didn’t consider myself “officer material” but I wanted to help out and being President is what was needed so I did it. I’m glad I did, it’s been a different and good experience.

To get a head start for our 2021 officers please email me about what office you are willing to run for and/or with your description of what you are willing to do for the NEO Miata Club in 2021.

Wishing you all good health & safety.

Linda Schwarz
