PRESIDENT'S MESSAGE: MIKE CODY

August was another great month, we continue to add new members and continue to have great times together! We have been having 40 members plus at the meetings which tells me, members are enjoying the participation. Alan went over the website at the August meeting, showing all members how to navigate through it. I believe it was very helpful, thank you Alan.

On August 19th we had a drive and eat that started at Inola Sinclair gas station. We took a road that went through the town of Murphy, OK. The last time I drove that road it was pretty bad, but they have since paved the road and it was a wonderful drive through Murphy. We did have one HICCUP LOL! We had to do a U turn but at least everyone got to wave at each other. The funny thing is I did the same thing on the test drive the day before, maybe I'm losing it. My brother-in-law tells me "It doesn't get any better". After the turn around, we ended up on another really nice road that was like a roller

coaster ride. With all the sharp curves and rolling hills it was a fun drive that ended up at Sequoyah State Park where we ate at Lookout Kitchen. The food was really good and you should have seen the size of Peggy Herman's chicken fried steak sandwich, man was it huge. I'm pretty sure she took a go box with her. The service was also good, but with a crowd that size (22) it takes a while, but that gives time for great fellowship. After we left there, if you can't guess, we went to Braum's in Wagoner where about 16 of us enjoyed some ice cream, (except Peggy Roth). Sorry Peggy, since you can't have ice cream, just for you I will eat more next time.

On a more serious note! One of our members that we all Love and cherish, Gary Moore, is having the fight of his life. Please, keep Gary and Cheryl in your prayers! They did put a temporary pacemaker in and it will be removed at a later date. The doctor said Gary's care is like balancing 20 plates in the air and trying to keep any from falling. Gary is a fighter and Cheryl is tough but they need our support. Cheryl's room is \$50 total a night and she will be there awhile, so if anyone wants to help with that they can call 308-698-4000. Cheryl is in room #22 and I'm sure she would appreciate any support with that.

We will be nominating officers at the next meeting in September and also October, so get to thinking of who you would like to see serve and be ready to write them down. Everybody nominated will be contacted to see if they will serve before they are put on the ballot. I am so proud of our membership and proud to be a part of the club. Thanks everyone and have a super September!
