PRESIDENT'S MESSAGE: MIKE CODY

First I would like to say THANK YOU!!! Thank you for making the 2023 year with the Miata Club, a most enjoyable year, and thank you for letting me lead the club as your president! Thanks to all of the club officers for helping and making my job easier. I'm looking forward to another GREAT year! One of the changes this year, we have a new Events Coordinator, Regina Jones. When making plans in 2024, please contact Regina Jones at 918-260-1855. This way you can get your events on the calendar. Also I want to thank all of you that paid your dues; it makes things so much easier to keep the books when it doesn't take several months to collect them. For those that haven't yet paid, please do so at the January meeting so we can get you on Nelson Mazda's list for the discounts.

What a wonderful turn out for the Inola Christmas Parade, the club threw out a lot of candy to a lot of kids. Afterwards we retired to Braum's Ice Cream, imagine that LOL. Thanks to all who participated!! The Christmas Party was a huge success; we had 51 people attend to the best of my knowledge. Tim did a great job playing Dirty Santa Executive; it was a fun time watching people steal presents from someone only to have it taken from them. The food was wonderful as was the service, but we have come to expect that from Country Cottage. I hope everyone had a good time at the party and was able to enjoy Christmas with their family on Christmas Day.

December the 16th we met and ate at Sammi's. We had 21 people show up to eat, then Charlie, Peggy, Dugger, Tammy, Lee and Mike drove around looking at Lights and went to Braum's. It was a good time with great people, thank you Peggy and Charlie for getting it together.

Lee said to tell y'all that there isn't any minutes this month since, technically there wasn't a December meeting.

This past year we had 17 new members, that's AWESOME! Nelson Mazda paid the memberships for 9 of them, and of those 9, 7 are returning as of now. Hopefully the others will follow in January. It's not just about numbers, but the new friendships we make, that have the same common interest in driving the best little sports car on the road! I want to encourage all of the members, especially the new ones, to attend as many events as you can. The more events you attend, the better you will get to know the other members. Try to sit by someone new at each event and you will have a great time listening and learning about the other members. Let's all try to encourage one another this year to be active and if you see a Miata, tell them about the club and when and where we meet. If we all pull together we can have another spectacular year in 2024.

This year we are going to plan a Meet and Eat Breakfast once a month at different locations. The first one will be thru the week on January the 3rd, if you haven't looked at the calendar, we will be meeting at the Silver Skillet 9:00 am. 61st and Memorial area. Look at the calendar for the specifics. We will have the second one in February on a weekend. By alternating them every month, most everyone will have the opportunity to make it to a breakfast. Once again, I'd like to say we have a GREAT club with AWESOME members! Let's make 2024 the best year ever!

The last thing, I want to remind everyone that Tim and Linda Bodine will be leading a drive to Colorado June 1st thru June 9th. Tim planned it this way so a working person would only need one week vacation. Tim has asked that people be prepared to sign up at the January meeting so he can figure out the arrangements according to the number of members. I believe this will probably be the best drive of the year, so lets have a great time this year!
