PRESIDENT'S MESSAGE: MIKE CODY

We are moving right along, entering June where Tim and Linda Bodine will lead a group of us into the winding roads of Colorado.

I want to say a special thank you to Lee Cody for all the hard work she put in on ordering the T-Shirts for the club. She worked very hard to get every order right, with so many choices it made it very difficult.

May was a good month; we had a good breakfast at the Amish Kitchen in Muskogee where several cars showed up for great fellowship. Then on the 18th we had the car show a Nelson Mazda where we had food, fellowship, and car judging. Rhimmon and Katie Simchy won first place at the first ever car judging at the Nelson Car Show. Thanks to all who attended, the judging was very close and all the cars were at their best. We also had four new people show up and stated they would like to join the club. Savana Burns, Kenzie Petty, Rob Coulter, and Jeff Shmitt all showed interest, at this time Rob is the only one that has joined. Hopefully the others will show up at the June meeting and join at that time. Just a side note about Kenzie, she just had her car painted and she did all the body work. Savana is in the process of rebuilding her motor and it is in Kenzie's spare bedroom. If they show up at the meeting, please make them welcome as I know you all will. Also a special thanks to Regina Jones for all the hard work she put in to make the car show a success!

Lee and I won't be at the June meeting, we will be traveling in Wyoming and South Dakota for two weeks. Regina will be in charge of the meeting since Charlie and Peggy will be gone also. Hope y'all have a great time while we are gone and we will see you when we get back!
If you haven't tried the puzzle Alan puts out, please do, I think you will enjoy it.
