### PRESIDENT'S MESSAGE: MIKE CODY

June was a month full of fun! Sorry I couldn't be at the meeting this month, but we were enjoying ourselves running around the countryside. Thanks Regina for taking care of things in our absence.

What a great trip to Colorado led by Tim and Linda Bodine. It was nine days of fun filled adventure driving around the curves and mountains with great friends. Although it wasn't without incident, Michael and Tom had many car problems, thankfully they were able to stay with the drive. Sherry and Lacy had a blowout which caused them some down time, but were also able to stay with the drive. We were able to drive across the Royal Gorge and do a "photo shoot". Now that's something that you don't get to do but maybe once in a lifetime. Thanks to the Bodine's for the time and effort they put into the planning and the patience they had with the rest of us.

On a sad note, Connie and David Cox sold their Miata, hopefully it won't be the last time we see them!

Be sure to check out the calendar, as we are having a FISH FRY with LIVE MUSIC on July 6<sup>th</sup> eating at 5:00 pm. The location is at the Rocky Point pavilion on Fort Gibson Lake. Lee and I are hoping everyone can make it. I will suffer trying to catch enough Fish for everyone, it's a tough job but someone has to do it. Bring what you want and Chairs, Regina said she is providing drinks. If you drive your Miata, please take the speed bumps slow as not to drag bottom!

On another note, please be thinking of who you want to nominate for officers next year. September will be here before you know it and we will be accepting Nominations in September and October. If you are being driven in the direction to serve as an officer, please let someone know or just write your name on the Nominations form.
