They do provide an accessibility route for anyone who cannot do stairs. Seven buildings, lobbies, oil boom story, and secrets. RSVP to Hosts: Wayne & Peggy R.

PRESIDENT'S MESSAGE: MIKE CODY

Well we just finished, probably the worst month for driving this year. I pray everyone stayed safe during the past few weeks with the snow and ice situation. Having said that, I know many of you have been receiving lots of texts from me concerning this year's Dues of \$25. I hate to sound like a broken record but it is something as president I have to do, it comes with the job. Nelson Mazda gives us a 20% discount for NEO Miata Club Members on parts and labor (except oil changes), and it's not fair to them if our membership list is not up to date. Also it makes things a lot easier on our Treasurer John Hill if we conclude this process as soon as possible. We have already taken off the membership list, those that have told me they are not renewing their membership. I am holding off on removing anyone else until after the February meeting on the 19th. I will have Wayne Roth (membership officer) to remove anyone that has not paid their dues by March 1st. If you are having financial issues and absolutely cannot pay by then, PLEASE let me know, otherwise I will assume you do not plan on renewing your membership. We absolutely do not want to lose any members that truly wish to stay! Thank you to all of you that have paid!

Other than the snow and ice, it has been a pretty good month. Be sure to read the Secretary's Report by Lee Cody to keep up with all that went on for January 2026! She does a great job, so no need for me to repeat it. Thank you Lee!

Thank you to those that stepped up this year for board members!
