PRESIDENT'S MESSAGE: MIKE CODY

July is in books, and it was a pretty good month even though we didn't get to have the fish fry. We had a great July meeting where approximately 50 people attended. We also had an awesome birthday drive where again we had almost 50 people in attendance. I suggested to people at the birthday drive, to call and let people know they were missed if they didn't see them there.

The good news about the fish fry being canceled, is that we get to have it August 29. Maybe it will be cooler then anyway. Be sure to plan on attending the fish fry August the 29th at 4:00 PM location At Rocky Point recreation area on Fort Gibson Lake in the pavilion. Alan has a maps location on the mobile calendar.

On another note, elections will be coming up. Please be thinking about who you want to nominate for office during the September and October meetings. Elections will be held during the November meeting and new officers for 2027 will be elected. Looking forward to seeing everyone at the next meeting and at the fish fry.
